- With *Fashion World*, budding fashionistas will love to get creative and design their own masterpieces
- Following the success of *Designer Doodles*, which has sold 50,000 copies, this new book encourages girls to get creative by incorporating colour
- Girls will enjoy completing partly-coloured pages of outfits, fabric prints and accessories, discovering trends from all around the world, from New York's hip-hop style to Parisian couture
- Part of Buster's bestselling doodle book range, over one million copies sold to date
